Large-vessel GCA or a late presentation of Takayasu's arteritis?

Farhana Akter, Kevin Ward

BMJ Case Reports published online 30 May 2012

There was an error in the learning points section of this paper. The sentence 'The American College of Rheumatology needs to be revised as patients can meet both GCA and TA criteria' should be written as 'The American College of Rheumatology criteria needs to be revised as patients can meet both GCA and TA criteria.'
