

## Correction: *Post-thymectomy myasthenia gravis: a case report and systematic review of literature*

Gurowich L, Yiin G, Maxwell A, *et al.* Post-thymectomy myasthenia gravis: a case report and systematic review of literature. *BMJ Case Rep* 2021;14:e246005. doi:10.1136/bcr-2021-246005

This article was previously published with errors in authorship. The author order has been revised.

Louise Gurowich, Adam Maxwell, Alexandra Rice, Gabriel Yiin

Case reports provide a valuable learning resource for the scientific community and can indicate areas of interest for future research. They should not be used in isolation to guide treatment choices or public health policy.
